## REMA TIP TOP EP FABRIC CONVEYOR BELTS

Highly wear-resistant multi-ply conveyor belts for the transport of neutral bulk products for the standard and heavy-load segment in many industrial sectors such as sand and gravel pits, quarries, in the steel industry or harbors.

# REMA TIP TOP EP FABRIC CONVEYOR BELTS

REMA TIP TOP EP fabric conveyor belts are manufactured by DUNLOP Belting Products South Africa and meet all normal international standards.

Taking account of the requirements by many plant operators, all conveyor belts are offered with a carcass protected by a **highly wear-resistant covering with a abrasion resistance of < 130 mm** thereby increasing the productivity and prolonging the **service life** of your equipment **many times over**.
