## TT03 QUICK PATCH KIT glueless

Completely new developed bicycle repair kit with self-adhesive tube patches of high quality TPU material (Thermoplastic Polyurethane).

- The tube patches are highly flexible and adjust to the movements of the tube.
- The material has a high wear resistance and good weather resistance.
- For all common bicycle inner tubes (natural rubber, butyl, polyurethane) very well suited.
- No drying time and no waiting time
- Special tuned very fine emery paper
- Very small pack size
